

OTEHA VALLEY SCHOOL

Twilight GALA 16 MARCH 2012

The plan

It's been a while since we had a gala at Oteha Valley School. Sure, it's about raising some much needed money for the school, but it's also a great opportunity to bring the whole community together for some good, old-fashioned fun. Yes, that means you'll find a whole heap of those stalls you remember from your own childhood, and a day of entertainment.

What's it for?

Good question. We'd like to hear answers from you. We want to contribute the funds from the gala towards a specific target, but we'd like to hear feedback from you as to what that goal should be. At this stage suggestions have been a playground for the middle school children, more Netball/Tennis courts, and an Astroturf Hockey pitch. Tell us what you think via email to the school or through the gala suggestion box located in the office. (Other gala-related ideas are welcome too!)

We want YOU!

Each class will be given responsibility for a particular stall. During the 4th term you can expect to hear from your children's teachers asking for help. It might be that you can provide some time or goods beforehand or maybe you can help out on the day. Each stall requires different things – but please remember that many hands make light work. If everyone helps out a little bit, it will be so much easier.

Donations

Over the coming months, we'll be asking for your help in supplying some donations. Again, it's a matter of a little bit from everyone helping.

So far we have...

Go Vertical, Water balls, bouncy castles, haunted house, fairy grotto, face painting, pony rides, dunking chamber, quick fire raffles, onsite silent auction, cheerleading displays, volunteer fire service, martial arts display, multicultural food stalls, cake stall, lolly stall, second hand book stall, ice creams/iceblocks, drinks, balloon twisting
